

LARC Officers Meeting Minutes
July 23, 2016
Submitted by Daisy Kim, Secretary

In attendance:

Laura Harrington	Susan Kobilarcsik	Peg Moline
Daisy Kim	Barry Fisher	Welmoed van Deen
Bayard Storey	Alex Doorduyn	Stef Fletcher
Jyothsna Buddharaju		

Oar cabinet doors are to be replaced soon by B & H. Everything inside needs to be removed. Susan Varga may be able to temporarily loan a Pod for storage of oars. Peg, Welmoed and Bayard agreed to serve together on a committee to oversee removal and storage of equipment in the oar cabinets.

It was decided that a boat naming auction should take place soon, with winners to be announced at the Fall party. Daisy will set up the online auction.

Susan presented her budget summary for January to June 2016.

Bayard will head a new boat search committee. Mark will research the possible purchase of a new set of 8+ oars.

Laura outlined additions to the website that she would like to see, including officers pages with job descriptions, a list of important contacts, the ability for club members to address questions to specific member reps, and a Project Submission form that officers can approve online.

The September LTR sign-up procedure was discussed.

Barry will look into possibly revising our current Waiver.

Officers voted to approve t-shirts for LTR participants.

Laura described the online store on the website where members will be able to purchase merchandise individually. Vendor will return 12% of proceeds to the club.

Welmoed will work on the website's calendar – to include all races, local events and LARC events.

The annual club election was discussed. Nominations will open November 1st, with the election to take place on December 1st.

The club party needs to be firmed up. The previous date of October 22nd will not work because of a conflict with the Head of the Charles. Laura would also like to schedule a Meet & Greet on Aug 6th following boat maintenance.

The idea of novice coaching was broached.

Laura reported that discussions have begun with Chris Reins' architectural firm re plans for a future community boathouse in the Marina.
